

Harbour MiniGUI

-----

Harbour MiniGUI Library Copyright (C) 2002-2008 Roberto Lopez.  
All rights reserved.

Harbour MiniGUI is the union of these main components:

- Harbour MiniGUI Library
- Harbour MiniGUI IDE
- Harbour Compiler
- MingW Compiler

All together, this tools conform a completely free xBase WIN32 GUI development system, combining the traditional xBase, with an extremely easy to use GUI.

Harbour MiniGUI IDE can be downloaded at Harbour MiniGUI Site:

<http://harbourminigui.googlepages.com>

Enjoy!
